## Letter of recommendation

JSC PES-SCC and Delphi Samara have been using the recruiting services provided by Business Center for Leading Managers in Samara since 2006. During this time, the team of Business Center has been supporting us in recruiting personnel and hiring talents for our company. A number of high level specialists speaking English have been selected for the positions of different levels, including top management (Executive Search), mid-level managers in sales, finances and engineering, technical good qualified linear specialists for our company.

Business Center has been also permanent covering the needs of our manufacturing plant in workers.

We are pleased with the quality of services provided by our partner. Recommended candidates fully meet position requirements. Cooperation is always based on trustworthy relationships and complete confidentiality.

We recommend our partner as a reliable and responsible service provider in recruitment and Executive Search.

General Director of PES-SCC until 2010  
Consultant to the Board of Directors  
of Joint Venture PES-SCC, Delphi Samara
